STUDENTS' NEWS:

(i) ADC Approved Examination Results:

The 35th Extra Ordinary Meeting of the Interim Academic Development Committee (ADC) was held on 6th January, 1994. The only agenda for the meeting was to approve the Post Graduate Diploma in Financial Management (PGDFM) and Post Graduate Diploma in Tax Management (PGDTM) Examination results. The Committee approved 28 and 20 straight passes of PGDFM and PGDTM students respectively to proceed to second semester.

The Committee also approved 35 and 6 PGDFM and PGDTM students respectively to sit for supplementary examination.

Two PGDFM students were approved for special examination. The Committee further approved 23 students to be discontinued from the PGDFM programme.

ii) IFM Football Team at Shimivuta:

The IFM team left Dar es Salaam for Dodoma to the SHIMIVUTA Sports, which was scheduled to start from 9th to 30th December, 1993. The football team with a total number of fifteen players and two leaders was the only one recommended to represent IFM at the 19th SHIMIVUTA Sports in 1993. Because of lack of funds, the Institute failed to sponsor other players to participate in other games like athletics etc.

The following is the performance of the IFM football team at the SHIMIVUTA:-

On 11th December, the IFM team played against Dar es Salaam Technical College; results IFM 1, DTC 3.

On 15th December, IFM player against UDSM, the results were: IFM 1, UDSM 1.

On 16th December, IFM team played against Technical College, Arusha. The game was stopped a few minutes after starting because one of the IFM players, Juma Ameri was seriously injured.

The general observation is that our football team did not do well. We therefore need to strengthen sports at the Institute for better performance in future.
